

The Kick Starter

FREE for BCITO apprentices

The Kick Starter programme will give apprentices
a learning boost early in their apprenticeship,
supporting them to succeed.

TRAINING COVERS:

- » Navigating myBCITO – for learning and to engage with your Training Advisor
- » Collecting and recording information in myBCITO
- » Workplace communication – tips and tricks
- » Maths refresher – measurement, quantities, angles
- » Hauora – health, safety & wellbeing at work
- » Time for 1-1 support for specific questions or issues

DELIVERY:

- » 2 hours per week x 6 weeks
- » Thursday evenings 6:30-8:30pm
- » Small study group online
- » Programme can be tailored to the group's needs

LEARNER FEEDBACK:

"Enjoyed working with others at a similar level, to bounce ideas off each other and be a part of a group. The course was full of useful tips and the instructor was very patient and helpful."

Starts

Thursday 26th February
